Thursday:	Veg-soup, rolls, crackers, cheese, pineapple
Friday:	Hamburger, beans, S.K. bars, mixed fruit

- Music Festival:** This year's Worthington Music Festival will be held on Monday, November 16th. Students will leave school at 1:00pm and travel to Worthington. We will rehearse all afternoon, eat a pizza supper, change clothes, and then perform in the 7:00pm concert. We are hoping that parents and grandparents will attend this concert. An offering will be taken to cover expenses. Students are reminded that they need to bring \$3 to school for the pizza. We are still looking for one more driver. Please remember to have your children bring Instrument, Music, Dress Clothes and money for pizza.
Thanks! - Mrs. Hensley
- Donation Sale Report:** Thanks to all who participated in our Fall Donation Sale and Baked Potato Supper. We are happy to say that the sale brought in \$11,529.00 of which \$2,105 was designated towards our heating expenses. It was wonderful to see families, friends and neighbors coming together to support our school and have some fun in the process!
Thanks again.
- Basketball Season:** We are thankful to Chelsea Schaap for being willing to coach our Boys and Girls basketball teams this year. She will be joined by Darren Lind as an assistant coach. We will soon be seeking out referees, scoreboard operators, scorebook keepers and drivers for various home and away games. The schedule is currently being put together; we should have our first games in the beginning of December.
- TRIP:** It's quite easy to sign-up for Chandler Christian School TRIP on-line; I've done it, you should try it too. What a good way to earn some extra money for your child's tuition. It is a convenient way to get gift cards from one location, especially with the holidays coming up. I would like to encourage you to try the TRIP program if you are not currently using it. I'll be calling each family who is not currently participating to help walk you through the process. Thanks. -Mr. Karl
- Cougar Call:** Be sure to read this month's Cougar Call. Each one contains updates from the principal, teachers and a school board report. This month also has information about our new Student Sponsorship Program and news from TRIP.
- Cougar Chronicle:** Be sure to read the latest issue of our student newspaper, the Cougar Chronicle. There are many interesting articles, interviews, pictures, games and trivia. Thank you 7th and 8th grade students for putting this together and especially to Tyler Kiecker, this issues editor. It is always great to hear things from our student's point of view.
- Student Council Food Drive:** We are blessed to have a home to live in, food to eat, clothes on our back and families that love us. It is time to think of those who do not have as much as we do. As Thanksgiving is coming up, we spend time being thankful for what we have. By donating food, we can help others be thankful for having food for Thanksgiving. **Please donate packaged or canned items.** The food drive is going on until Tuesday, November 24th. Thanks.
